### **Promo Details:**

Tenol Alpha offers training services at discounted rates and in association with PECB (Professional Evaluation and Certification Board), TVECERT Certification Services and some other institutions.

We support individuals to grow competence and relevance in the work place. Companies have opportunity through our programmes to achieve recognition and certification which help in securing that important contracts and brand projection. We highlight areas of opportunities and where value can be created as may be necessary in some of our courses.

Furthermore, IRCA (International Register of Certificated Auditor) and Professional Examination and Certification Board (PECB), Canada, approved courses are also scheduled for this quarter. IRCA courses are offered in association with TVECERT Certification Service, an IRCA approved training organization.

What do you get in addition? You will get value for money. Classes are anchored by experienced facilitators. You will learn new concepts and approaches. You will understand principles and able to apply lessons learnt to everyday business situations.

Register today and obtain certification. You are trained by the best. Result and certificate are issued timely by our partners-TVECERT and PECB.
